***Kaneohe Kiwanis Calendar***

***Upcoming Projects***

***Getting Ready for the 2007 Kaneohe Christmas Parade***

The Kiwanis Club of Kaneohe and our sponsored youth participate in the Kaneohe Christmas parade every year. Janis Lindley, our K-Kids Advisor and Division 22 Webmaster, is on the 2007 Kaneohe Christmas Parade committee and is attending the coordination meetings. Every year, the Kaneohe Kiwanis pass out candy with our Key Clubbers and walk with our K-Kids. This year, the Builder’s club will also participate in the parade, providing early morning clean-up duty in order to clear the streets for the parade watchers.

***Taste of Science, Windward Community College***

The Kiwanis Club of Kaneohe will continue to provide volunteer support at the annual Taste of Science event, a community event for parents and children to learn about food and science.

***Lokahi Project – Adopt-a-Family***

The Kiwanis Club of Kaneohe will adopt a family for Christmas again this year. The project involves buying Christmas presents from the family’s wishlist, and continuing in the Maly tradition, our club will be collecting canned goods as additional items to provide to the family.

**NOVEMBER**

- Remember to bring at least 2 canned goods to our club meetings for the month of November in support of the Lokahi “Adopt-a-Family” project!
- Also, we have a new club meeting place, the Seicho No Ie Jisso Center, see NEWS section of this newsletter for directions.
